HARBORCREEK HIGH SCHOOL

Mrs. Florence Finn
Getchel

We, the class of 1950, dedicate this yearbook in memory of Mrs. Florence Finn Getchel who was reported missing July 9, 1949, while on a fishing excursion on Lake Erie.

Mrs. Getchel taught for seventeen years in the Harborcreek Township School District where she is remembered for her excellent work in general guidance and in editing the Harborcreek Highlights.

One of her favorite poems was:

I'm Nobody! Who are you?
Are you nobody, too?
Then there's a pair of us - don't tell,
They'd banish us, you know.
How dreary to be somebody,
How public, like a frog,
To tell your name the livelong day,
To an admiring bog!

Mr. Fred S. Clark, *Supervising Principal*

With the total school population of 1444 pupils, we realize that education in Harbor Creek Township is fast becoming a big business.

With the co-operation of the parents and our 51 faculty members we will continue to strive to make the community proud of their school system.

Pictured left to right: Standing: Mr. Cunningham, Dick Hinkler, Lois Beckman, Erma Coburn, and Jean Eades.

Seated: Jane Bastow, Betty Dale, Connie McAchren, Charles Merchant, and Johnny Freeman.

Absent when picture was taken was George Church.

Say, whose house is this anyway??? I'm scared! I just found something! A skeleton! A crazy women!

Just refreshing your memory of the 3-act mystery-comedy, excellently interpreted by Charles Merchant - Dr. Fersig, with Jean Eades as Elaine Blair. Lois Beckman as Kinks and Johnny Freeman as Bobby kept the dreariness and mirth evenly balanced. The "spices of the cake" were added by George Church - Mrs. Hubbard, Jane Bastow - Mrs. Embrey, Betty Dale - Ollie, Erma Coburn - Anne Rowell, Richard Hinkler - Bill Clayton, and Connie McAchren - Mrs. Donahue.

Our two detectives, Betty Dale and George Church, solved the mystery for us and straightened out everything in the surprise ending.

Prophecy of 1950 Seniors

As no such parallel has been noticed in former years, we hereby submit to you a register of names matched with Seniors who are to graduate. These are our ideas. Do you agree with them? Here is what you may see the following people doing in 1960 ...

Dolores Anthony, hoping to become Mrs. Don Kehl ... Roxi Applequist and Babs Frank, will be co-head designers of a Fashion Dept. ... Jane Bastow, now Doctor Bastow, has a business competitor in Doctor James Edwards. They will always be arguing to see who receives the most patients ... Lois Beckman, after graduating from a commercial college - then decides to settle down (and not in the business world) ... Nancy Chess, now a kind and sympathetic nurse ... Patsy Chilcott, getting her wires crossed as a switchboard operator ... Frani Chipley is just going to be a "working gal" ... Erma Coburn, traveling around the states with Bob until they find a suitable place to live — (away from their relatives) ... Marie Decker and Jean Eades, having the lucky chance to care for those handsome vets at the new Veterans Hospital ... Katy Elletson, taking Rosalee Allan's place as a famous yodeler ... Lorelei Gaylord, taking Mr. Leary's place as a math teacher ... "Dee" Hammill, guiding the planes into the airport, without an accident, as a control tower operator ... Janet Heyer, between times at working at a big furniture store, hopping down to Texas for a vacation ... LaRue Kohlman, a brilliant receptionist, who does everything for her boss. Lizabeth Lainey, giving Miss Schilling competition as an English teacher ... Bonnie Lovejoy, busy taking notes and dictation from Mr. Rodger Guilford, who is now a famous journalist and has taken Walter Winchells column over ... Connie McAchren, trying to get Fuzzy Evans to quit the "Pirates", and go with her to India as a missionary ... Virginia Meyers, now Mrs. William Crabb, trying to find out, from Lawrence Doerr (the All-American Chicken Raiser), how to raise a brood of her own ... Margaret Mumford, now Mrs. Eugene McCool, keeping her sister company as a young housewife ... Peg Ogle, enjoying all her duties as a nurse, except B. P. duty ... Audrey Reece, having her wish fulfilled about becoming Mrs. Frank Longo ... Sally Butler, an employee of the Arthur Murray Studios, teaching square dancing ... Carol Noonan, busy taking a few trips to Reno, and stopping on the way to see that now famous model in New York, Marianne Verdoni, who has taken Chilli Williams' place ... Betty Dale, now a noted beauty operator ... Rolf Bork, doing marvelous work as a designing engineer ... Ralph Brady, a steady worker at "good ole Generous Electric", if he isn't a big executive by then ... An up and coming accountant that will aid the G.E. will be Jack Branke ... Jimmy Bretz, will be working at the dirty job of being a mechanic, as will Gordon Root ... Norbert Brown, still working on his old junk heap of an automobile ... George Church, will have a big title, and be sitting behind a big desk, at the job of being a Certified Public Accountant ... Pete DiNicola, (that Jack Armstrong fan) now another Frank Leahy, as a famous football coach ... Guy Lombardo's "Sweetest Music This Side of Heaven", Orchestra, will be under the baton of "Mickey" Foster ... Johnny Freeman, will be a big-wheel Navy man ... If you have any electrical trouble at your home, that handy electrical expert, Blair Irwin will help you out ... Tourists from all over the world will come to visit the "Maille Farm", ably operated by Bill Maille ... One of those dare devil hot rod drivers, Don McCarty, will be caught for sure by that feared, tough state cop, Ted Perry, if he takes his fast driving onto the main highway ... The big-time star of the Boston Red Sox is none other than our own Ted McQueeny ... Charles Merchant is so happy finally because he found out Houdini's secret magic tricks ... LeRoy Palloto will be making millions, taking Coach Lou Tullio's place ... Ronnie Parrish is now a retired man ... Robert Penn will have only a few more years to go and he will be old enough to become president of the United States ... A new, modern gas station, will be owned by Chester Peterman ... Charles Reichart, will at last have the say of how the Harbor should be run ... Helping the milk supply, will be Danny Sharpe, owner of a dairy farm ... Richard Wetzel will be famous, or more so, than Bill Stern as a sports writer ... We hope that as a truck driver, Eddie Clarke, won't have to give Doctor Kightlinger any business ... Harold Heuser, another Joe Louis ... LeRoy Stevenson, (if he is out of school), will be the proud papa of nine children ... Jimmy Nelson, may have a new car (a '41 at least) to keep taking him to his apprentice course ... Delbert Morgan, will be working with H. L. R. Emmett at the G. E., designing a new turbine ... Ronnie Sharp will be seen speeding along in his old Overland Jeep ... The whole Senior Class will make frequent trips to Calvary Cemetary, to visit our old school mate, Norman Edler ... Shirley Keller is now head hair stylist at MGM Studios ...

This concludes our prophesy into the future, and we hope that the good for some people work out and the bad things won't come about. We leave you now and hope to see you all in the future and especially the next ten years in the best of health.

Junior Class

We have become familiar with schedules and rules of the school after three long years. We have made new friends and missed the old ones.

At our class meetings we were governed by the following officers:

1st Semester ..... Pres. Melvin Reeves, V. Pres. Bill Simmons, Secy. Rosy Pepicello, Treas. Bill Garfield.

2nd Semester ..... Pres. Bill Simmons, V. Pres. Don Ross, Secy. Rosy Pepicello, Treas. Gus Pede.

We hope we have spent this year wisely.

We sold concessions at every football and basketball game this year. Under the direction of our homeroom teachers Miss Woods and Mr. McLaughlin, we had our Junior Talent Show in Hill-Billy style. We also had an enjoyable class party at one of the students home.

We had quite a few Harborcreek Huskies running around in our class.

Now we hope that when we leave school this year we will be ready to become . . . .

The Seniors of 1951

Junior Class Line Up

You'll find in our class that we have a good time;
So here is our story all written out in rhyme:

Hickin and Reichart with hearts so light,
Always trying to do things right.

You don't hear much from Patty or LaReeve,
But they usually have a trick up their sleeve.

Catherine and Helen .... two nice lasses,
Quiet girls in all their classes.

Maloney, Garfield, and Benson, Jim
Will give you a smile at the slightest whim.

Akerly, Ellsworth and Pete Green,
Three better guys you've never seen.

Towell, Shirley and Whaley, Helen,
What they'll do next, there's no tellin'!

Peggs and Ross, with the same first name,
Doubtless, it will bring them fame.

Betty Moyer and her pal June,
Always singing a happy tune.

Irwin and Shepard, our two little joy boys,
They have oodles of fun and make lots of noise.

Anderson and Smitty .... each a classroom cutup,
Many's the time they've been told to please ....!

Evans and Bigler are always debating,
And when they're not they're cogitating.

Dennen and Christea are new this year,
They've always a kind word for friends to hear.

There's Pede and Simmons who run the projector,
Since Gus is the smallest, Bill's his protector.

Dunbar and Berlin take life easy,
To Them school is just a "breezy".

Two Carusoes are Witherow and Wood,
A couple of fellows who sing real good.

Korn and Kreider who'd impress you as quiet,
But when known better, they're really a riot.

Ida, Theresa and Marguerite,
Three girls you'll find plenty hard to beat.

Carmen Ricker and Shirley Swift,
If you feel unhappy they'll give you a lift.

Dorothy Hall and Jo Anne King,
Are just as pleasant as the blossoms in Spring.

Graham and Kempf with spirits high,
And always a smile when they pass by.

Margaret Butler and Alberta Dean,
Two of the nicest girls you've seen.

Hamaday, Bryan, & Drayer are three friendly kids,
When they're around ne'er a smile is hid.

Good friends are Benson, Deuel, and Appliquist,
When it comes to pals they top the list.

Lawson and Swortwood look very short,
But to us they're friends of the highest sort.

Gerda and Charlotte are see around,
Put them together, egads! What a sound.

Rosy and Margie are always together,
Their spirits remind you of fair Spring weather.

Two good friends are Betty and Barb,
Friends of all the kids at Harb.

Berry and Eades are thick as molasses,
Their greatest love is to get out of classes.

Next we have two boys — Tobin and Reaves,
As bright and cherry as the Autumn leaves.

Walt and Sonney are Future Farmers, two,
They make you laugh at most things they do.

Peggs, Ross, Lawson and Gus,
If you don't like this poem, just come and see us!

We the class of "52" started off the year with the election of our representatives to the student council — Marian Lainey and Bill Gay.

Our class officers were chosen in November with Joe Sonney as president, Bob Derda as Vice President, Alice Bretz, Secretary, and Janice Grender, Treasurer. We elected the same officers at mid-term.

Our class was well represented on the J. V. football team. A great array of talent was shown by our cadets, and our cheerleaders displayed a great amount of pep.

December was climaxed with our dance, the spectacular and successful "Winter Whirl."

The January highlight was our talent show with Bill Gay as M. C. Our talent was represented by nearly everybody in our novel idea, television presentation.

We hope there will be the same display of talent on the baseball team as there has been in everything else the Sophomore class has accomplished.

Yours truly,

The future Juniors

We the freshmen class, about a hundred in number, possess all the vim, vigor, and vitality you would expect to find in a class entering on the threshold of education.

The officers of our class were well chosen by the group and have succeeded in managing our affairs successfully.

First Semester	Second Semester
Pres. Gwen Bell	Pres. Marvin Akerly
V. Pres. Marvin Akerly	V. Pres. Carol Hume
Secy. Ronald Logan	Secy. Nancy Pede
Trea. Carol Ferer	Trea. Dot McManus

And rightly chosen for Student Council this year is Shirley Meyers.

The Freshmen made two trips, both in the science field. One was to the water works and the other to the weather station, accompanied by Miss Guckes and Mr. Ellwood. Mr. LeMasters accompanied 9-B to the water works which made us feel very honored and him very proud.

The freshmen have contributed much in the way of school activities, with girls in cheerleading and twirling and boys in football and basketball. Nearly all were enlisted in clubs.

The ninth grade is sorry to have lost a fellow student, Elmer Schultz, during the year.

We had a very successful talent show headed by three freshmen, Joyce Frank, Don Morgan, and Flossie Jones, with Miss Guckes and Mr. Leary.

To sum up, we have tried to give our school, faculty, and our class a name to be proud of.

"Let us be up and doing
With a heart for any fate
Still achieving, still persuing
Learn to labor and to wait."
Longfellow

We eighth graders were guided skillfully this year by Mrs. Hullings and Miss Taylor.

A highlight of our class this year was the basketball games the 8-A played against the 8-B between the Jr. Varsity and the Varsity Basketball games. The 8-B won the majority of games played.

Gerald Lawson was our representative on the Student Council.

We had an enjoyable trip to the museum to further our education in science. Miss Guckes and Mrs. Hullings accompanied us on this trip and all of our members were delighted with the unusual sights.

Yours truly,

The future Freshmen.

Watch us grow! That seems to be what happened to the seventh grade this year. Were we surprised when we were divided into three groups, 7A-7B-7C. We sure missed our old friends from other years. We have broken the record for having the largest seventh grade Harborcreek has ever had.

The 7B class enjoyed their party given by Mrs. Arnold, for selling the most Senior Play tickets.

The Junior Chorus hasn't had any old shoes or clocks thrown at them yet. They're still in there pitching and they are doing fine.

Many thanks to Mrs. Arnold, Roxene Applequist, and Marie Decker for teaching the underclassmen girls to twirl.

Twirling Club

The twirling club under the direction of Mrs. Arnold, deserves credit for the time they spent practicing hard during club periods. They put on successful performances and hope to show top entertainment in the years to come.

The junior twirlers, Jeanette Bigler, Eleanor Caldwell, Joyce Crain, Peggy Forbes, Elva Graham, Jean Pollack, Gloria Jean Tobin, Barbara Vaughn, Janet Wood, and Nancy Yost, were under the leadership of Roxi Applequist. They made new uniforms consisting of colorful satin blouses, full black skirts, and white moccasins.

The remaining seventy girls were taught the fundamentals by their leader Marie Decker.

Science Club

The Science Club was a new club formed this year. The girls are under the supervision of Miss Guckes. The girl made a study of bacteria, made a trip to Wintergreen Gorge, had a hayride, and had a picnic. The club was very active and the girls enjoyed their projects very much.

Class President was Connie Renner.

Hunting, Fishing, Trapping

To discuss questions in the sports of men is the reason this club was organized. By season these subjects were discussed and thus making better hunters, anglers, and trappers in our school. This group has helped many boys to improve their field sports throughout the year.

Better sportsmanship is their aim.

Monogram Club

The Monogram Club consists wholly of those boys who have earned their letters in various sports. The object of this club is to earn money for the sweater and letter awards. By projects such as skating parties, movies, and Jr. versus Sr. games which were sponsored this year the money was raised.

The officers for this year were: President, Pete DiNicola; Vice President, Jack Brancke; Secretary, Harold Heuser; Treasurer, Bill Simmons.

The club sponsored a movie for the school among other activities the club carried on.

Under the expert supervision of their sponsor, Mr. Caufman, the club enjoyed much success.

The officers were: President, Gusty Pede; Vice President, Pete DiNicola; Secretary, Rolf Bork; Treasurer, Arlene Graham.

The object of the Future Farmers of America is to promote methods of farming. Several field trips were made this year in order to further their knowledge. A two acre tomato project was very successful much to the club's credit. The Pennsylvania Farm Show was attended by several members of this club. A basketball tournament was also participated in with other clubs. For the first time the club sponsored a Donkey Basketball Game which was delightful entertainment. These activities made a very full year.

The officers were: President, Bill Garfield; Vice President, Pete DiNicola; Secretary, Melvin Reaves; Treasurer, Ralph Brady, Reporter, Lawrence Doerr; Watchdog, Leroy Stevenson; Faculty Advisor, Mr. Ellwood.

Highlights Staff

The Highlights staff with Lowell Lawson and Roger Evans as editors really put out a successful newspaper this year. The staff was under the able direction of Mr. McLaughlin. The newspaper was exceptionally outstanding because of the number of pictures the staff had printed. There were accurate accounts of all activities in each issue.

Pictured left to right: First Row: P. Lupp, G. Pede, A. Graham, W. Simmons, L. Lawson, R. Evans, R. Eades, L. Bigler, J. Benson, J. Berry. Second row: Mr. McLaughlin, S. Towell, R. Wood, W. Garfield, D. Ross, D. Peggs, R. Irwin, S. Kemp, K. Weed, R. Pepicello.

Cooks and Custodians

Pictured left to right: B. Gerbracht, G. Pierce, M. K. Ehrler. Absent when picture was taken: Mr. Pierce and Mr. Best.

Our school is to be complimented on its staff of cooks and custodians. Mrs. Ehrler made certain that all students had a well balanced lunch, while Mr. Pierce, his son George, and Mr. Best kept the school heated and tidy.

Bus Drivers

With the ever increasing population of the Harborcreek Schools, the transportation problem becomes more difficult. To expedite this problem, the school employs eight competent bus drivers, to operate its fleet of buses. Not only do these men transport students to and from school, but also provide transportation for school activities such as football and basketball games.

These trustworthy men answer to the names of John Connors, Adrian Gainer, Richard Langer, Edward Maille, Sr., Lewis Maille, C. McQuiston, Fred Riechard and John Langer.

Driver Training

This is what the 1949 Ford which was the classroom for Driver Training in 1949-50 would say:

I've had good drivers and I've had bad,
One makes me sad and the other glad.
I've gone in ditches and been stuck on hills,
I've been through fields and over rocks and rills.
I've been started with no key,
And they've stripped my gears, poor me.
I've been driven along in the left hand lanes,
But always under the guidance of B. R. Haynes.

Driving Training proved to be quite a popular subject and many competent drivers were passed this year. Mr. Haynes had quite a few trials and tribulations, but he was finally rewarded by those who learned to drive well.

The future drivers can look back on the year 1949-50 as one of fun, work, and many experiences.

The "Huskies" inaugurated the new field with a well deserved win over Union City. Our boys finished a successful season with four wins and three losses.

Harb placed Pete DiNicola and Wirt Ross on all-county first team while Wirt Ross, Pete DiNicola and Ronnie Sharp played in the Lions East-West game.

Varsity Basketball

Although winning only three games while tasting defeat eleven times, this does not bring out all the spirit and fight the boys had. Under head coach Lloyd Leary the boys learned many new tricks and plays in which the returning boys will use next year.

LeRoy Palloto set a new seasonal scoring record by scoring 153 points in 14 games. LeRoy Palloto was chosen on the all-county second squad.

John Berry, Gus Pede, Lee Swortwood, Bill Simmons, Don Peggs, Bill Gay and Doug Moorehead will form the nucleous for next season's quint.

The orchestra consists of many talented members. Thier performance at the Senior Play was exceptionally well-done. Margie Ferguson represented the orchestra at the Student Council Variety Show.

Band

The Harbor Creek Band has been more active this year than ever before, under the capable direction of Jack McCullough. His untiring efforts, clever ideas, and everlasting patience helped the band to become a group of distinction.

Memorable among its performances was the play-off game with Wesleyville in the Academy stadium. In spite of rainy weather and a muddy gridiron, the band led by Babs Frank, plus the twirlers and cadets, managed to put on one of the best half-time shows in the stadium.

Another new event this year was the joint concert held with Girard Union High School.

Cadets

In their second year, the ever becoming and popular cadets displayed some clever and fancy marching routines. Through the efforts of Mrs. Arnold, their capable director, they were outfitted with drums, boots, plaid kilties and hats.

With Betty Moyer as leader they worked in co-ordination with the band and twirlers to make it a most successful season.

Pictured left to right are: First row: P. Bendig, G. Beaumont, L. Beckman, J. Tomat, R. Pepicello. Second Row: N. Nonamaque, B. Higby, C. Noonan, J. Eades.

Twirlers

Lending charm and grace to all functions where our band is presented, our twirlers hold an enviable record for outstanding performance. The group, with Babs Frank as head drum majorette and Shirley Keller in charge of routines, delighted the student body many times this year, by twirling at many football games and pep rallies.

Seniors; B. Frank, S. Keller, R. Applequist, M. Decker, P. Chilcott and M. Verdoni and one Junior, C. Ellsworth had the honor of representing Harb at the Lions All-Star Game.

Pictured left to right are: First row: C. Ferer, J. Ogle, L. Robertson, J. Wetzel. Second row: S. Bliley, E. Bailey, C. Hume, D. McMa nus.

Senior Cheerleaders

Nobody ever saw a group that was more full of vim, vigor, and vitality. They attended all the games and were excellent representatives of our school.

They excelled in their cheering ability and sportsmanship. Their unique pep rallies, under the direction of Mrs. Arnold, delighted the student body and the faculty members.

Pictured left to right are: M. Decker, C. Ellsworth, S. Kellar, P. Chilcott, R. DeAngio, R. Applequist, P, Gerwig, S. Meyers, M. Verdoni. Center: B. Frank.

Junior Cheerleaders

The Junior Cheerleaders under the direction of Mrs. Arnold, added color to all the basketball games. Their multi-color uniforms were bought from the profits of the Gym Capades.

We hope to see this group in the coming year, in more performances.

America Depends on Youth . . .

During the war years, America looked to its youth to carry through the battle to victory. Today, America is again looking to youth at home for better government, industry, business and agriculture.

The Sunshine Packing Corporation realizes the importance of youth in the agricultural picture. We know that the young people of the farms will come through in providing labor and leadership for the years ahead.

Our congratulations to the Class of 1950 who will soon join forces with the youths upon whom the nation depends.
